

Join the WSU Extension Clark County Master Gardener Program for an

Open School Garden Event; March 24th

Teachers, parents, administrators and others involved in school garden coordination/leadership are invited to a collaborative event at Illahee Elementary. Meet and mingle with other school garden leaders, engage in group discussion and initiate the building of a collaborative school garden leadership community.

When: Saturday, March 24th from 10am to noon

Where: Illahee Elementary School; 19401 SE 1st St, Camas, WA 98607.
Meet in the garden.

Event schedule

10am: Arrival, check in and tour the garden.

10:30; Presenters Russ and Barbara Wegner will give a demonstration of a seed starting activity. Handouts on when to start specific crops along with other getting started garden techniques will be provided.

11:00; Participants will share and glean from each other “How to drum up support in the school garden” and “Tips and Tricks for making garden maintenance easier.”

There will be time to meet and connect with your fellow school garden coordinators.

Please R.S.V.P. by Mar. 10 to Erika.d.johnson@wsu.edu or 360-397-6060 x 5738.

This event is put on by the WSU Extension Clark County Master Gardener program and The Gardner School garden coordinators.
